Shreya Dhanwanthary calls 'maverick' R. Balki's 'Chup' an ode to art

Mumbai, Sep 6 (IANS) Actress Shreya Dhanwanthary, who became an overnight sensation with the OTT series 'Scam 1992: The Harshad Mehta Story', is currently awaiting the release of her next project titled 'Chup- Revenge Of The Artist'. The trailer of the film was released recently and has garnered a lot of positive response and the actress is over the moon as she called the film an ode to art. Overwhelmed with a range of emotions, Shreya also expressed her admiration towards the late filmmaker-actor actor Guru Dutt to whom

the film pays a tribute, along with gratitude for having worked with the director R. Balki. Describing the film, Shreya said: "Chup" is an ode to art and the spirit of every artist. While it also plays a tribute to the late legendary actor/director Guru Dutt, the film quintessentially respects the lives and the work of artists across all quarters". Heaping praise on her director, she further mentioned: "R. Balki is a maverick and I am fortunate to not only be a part of this incredibly interesting story but also, generally, be around his mind." Holding the infamous and unfortunate dismissal of, now considered cult film 'Kaagaz Ke Phool', at its core, 'Chup' is a crime-thriller where an artiste goes on a rampage to kill his critics. The film is slated to release in cinemas on September 23. After 'Chup-Revenge Of The Artist', Shreya has 'Adbhut' with Nawazuddin Siddiqui lined up for release.

Moody's retains India's sovereign credit ratings

Mumbai, Sep 6 (IANS) The impact of the Russia-Ukraine conflict, higher inflation and tightening global financial conditions on the back of policy tightening, is unlikely to derail India's ongoing recovery from the pandemic in 2022 and 2023, Moody's said in a release on Tuesday.

As per the release, India's sovereign ratings has been retained by Moody's at Baa3 with a stable outlook.

"The stable outlook reflects our view that the risks from negative feedback between the economy and financial system are receding. "With higher capital buffers and greater liquidity, banks and nonbank financial institutions (NBFI) pose much less risk to the sovereign than we previously anticipated, facilitating the ongoing recovery from the pandemic. While risks stemming from a high debt burden

and weak debt affordability remain, we expect that the economic environment will allow for a gradual narrowing in the general government fiscal deficit over the next few years, avoiding further deterioration in the sovereign credit profile," the release said. The release also said that the ratings agency could upgrade the rating if India's economic growth potential increased materially beyond their expectations,

supported by the effective implementation of economic and financial sector reforms that led to a significant and sustained pickup in the private sector investment. "Effective implementation of fiscal policy measures that resulted in a sustained decline in the government's debt burden and improvements in debt affordability would also support the credit profile," release added.
