Motilal Oswal Alternates invest INR 4,000 million in Pan Healthcare

Ahmedabad, Motilal Oswal Alternate Investment Advisors Private Limited ("MO Alts" or "MO Alternates") has invested INR 4,000 million for a minority stake in Pan Healthcare Private Limited ("Pan Health" or "Company"), a Rajkot based manufacturer of hygiene products including baby diapers, adult diapers, sanitary napkins, feminine hygiene products, etc. Pan Health sells baby diapers under the 'Little Angel' brand, adult incontinence products under the 'Liberty' brand, and sanitary napkins and feminine hygiene products under the 'Everteen' brand. Company also sells personal care products under brands such as 'Neud', 'Mansure' and 'Naturesure'.

Established in 2016, Pan Health is one of the key domestic players in the hygiene products segment in the country. The company has a pan-India distribution presence through a network of offline (350,000+ retail

touch points) and online (third party e-commerce) channels, which is serviced through a state of the art manufacturing facility located at Rajkot. The company is promoted by the Pan Group, a leading business house with diversified interests across varied segments including cement, cotton, steel, agri-trading, etc. Orbit Financial Capital acted as the exclusive financial advisor to Pan Health on the transaction.

Mr. Vijay Dhanku, Director and Head of Consumer sector at MO Alts commented, "The Indian hygiene products segment is significantly under penetrated as reflected by per capita diaper consumption of <60 units vs. ~1,000 in US and ~400 in China. The market has also been dominated historically by MNC brands with no large Indian brand so far.

We are reasonably confident that with its sharp focus on manufacturing excel-

ence, and having delivered on its vision of creating a best-in-class manufacturing plant that surpasses even international setups, Pan Health will be able to address the above issues and create a huge impact in the personal hygiene space.

Mr. Chirag Pan, Promoter of Pan Health said, "Our singular focus on offering the best quality product at competitive price points has enabled us to quickly establish ourselves as one of the top domestic brands in a highly competitive hygiene products category.

We are very excited to partner with MO Alts and look forward to leverage their experience of backing category leaders in the consumer segment to accelerate our growth plans. The funds raised will be utilized for investing in the brand, ramping up the distribution infrastructure, and building a robust organization to help us drive the next phase of growth."

Zoom lays off 1,300 employees, CEO takes 98% pay cut

New Delhi, Feb 8 (IANS) Video communication app Zoom is laying off about 1,300 people, or 15 per cent of its workforce, its CEO Eric Yuan has announced.

Yuan also said that he is reducing his salary for the coming fiscal year by 98 per cent and foregoing his FY23 corporate bonus. During the pandemic, Zoom usage surged significantly as millions stayed home.

Yuan said the company is still seeing that people and businesses continue to rely on Zoom.

"But the uncertainty of the global economy, and its effect on our customers, means we need to take a hard - yet important - look inward to reset ourselves so we can weather the economic environment, deliver for our customers and achieve Zoom's long-term vision," he said in a blog post.
